

98" Pro Series

Maximum Size
Maximum Potential

New Pro Series for Enterprise is here.

A simple to use touchscreen solution that comes with superior connectivity and advanced collaborative technology as standard. Pro Series is the touchscreen solution designed for all meeting spaces.

Create the UC System that you need

Flexible solutions that anyone can easily connect with, no matter what device they are using or how they prefer to work. You can create the UC system that you need with UX Pro Evolved and our ecosystem.

Remote management

Control multiple Clevertouch devices, wherever they are. The IT department can remotely take control of your company's fleet of Clevertouch displays.

Use for signage

Transform your screen into a digital signage display. With CleverMessage you can broadcast messages, alerts and important information.

Screen mirroring with touch-back

Clevershare allows you to mirror any device, on any platform. With touch-back it's a two-way touch sharing application.

Key Features

Our support team offers industry leading warranty tailored to your needs — when you need it most.

Wireless or hardwired connections so that team members and visitors can connect safely using separate networks.

Seamless integration with room booking system - Sync with your MS Exchange™ and Outlook 365 Calenders.

Sync with Google Drive, OneDrive and Dropbox so that you can work anywhere at any time.

Room filling sound with 2x20W audio.

The most fluid, lag free writing experience on a touchscreen with true 4K high Precision Technology.

DisplayNote

Evolve your meetings with Launcher from DisplayNote (Optional extra).

Huge connectivity. Includes 3 x USB3.0.

Instant Over-the-Air Updates (OTA) seamlessly delivered to your display.
